

Parents Advocating for Safe, Well-Maintained Schools
in the Toronto District School Board (TDSB)

TO: Donna Quan, Director of Education, TDSB

SUBJECT: Thank You for Working With the Province

Dear Ms. Quan,

Thank you for supporting the Province in their move to step in and help.

The TDSB's ability to deliver quality public education depends on a productive working relationship with the Ministry of Education. We urge you to make this relationship constructive and focused on the safety, success and well being of TDSB students.

Minister Sandals' announcement on November 25th indicated that this independent review of the TDSB would focus on ***"how we can make things better at the TDSB going forward"***, and ***"how we can create a board that is more functional"***.

The parents involved in the Fix Our Schools campaign will hold Minister Sandals accountable to these commendable words. We look forward to you ensuring the TDSB is also guided by these comments through the independent review.

Kind regards,
Krista Wylie – on behalf of Fix Our Schools
